2009-2010 NJASC State Charity – “Family Reach Foundation”

Each year, the NJASC collects donations from Student Councils throughout our state to support a charity selected by the State Officers who represent all the student leaders of our state.

The 2009-2010 State Charity, **Family Reach Foundation** provides financial relief and heartfelt support to families fighting pediatric cancers and other life threatening diseases. They have provided care and support to families since 1981, and NJASC is proud to be

supporting their work this year. You can learn much more about Family Reach Foundation and the valuable work it performs at www.njasc.org/charity.

We and the State Officers appreciate the hard work and generous support from advisors and student leaders from throughout New Jersey for the NJASC State Charity program, both in the past and for the current year. Over \$3,000,000 has been raised for a variety of worthy charitable causes in our state since the inception of this program nearly thirty years ago.

An award plaque will be given during the NJASC Spring Awards Program at Six Flags Great Adventure to all schools that attain the following levels: \$1000 Club, \$2000 Club, \$5000 Club, \$10,000 Club. Trophies will also be awarded to the top three Middle and High Schools in the state.

Please complete the form below to indicate the amount of your donation to the NJASC State Charity, and return it with your purchase order or check to the Southern Office at Palmyra H.S. by **Friday April 30, 2010**. If your school will be sending its' donation after this date, please e-mail Wendy Booth Sitzler at wbsitzler@njasc.org to ensure that a plaque will be prepared for the Spring Awards Program.
