## Join our delegation to the 2012 NASC National Conference!

The 2012 **NASC National Conference** will be at Yukon High School in Oklahoma City! Our trip will include the conference and delegation pre/post-conference activities from June 22-27, 2012. This event will bring together nearly one thousand student leaders and advisors from across the United States and Canada.

The 2012 NJASC State Officers will lead our state delegation, and their advisors will be invited to attend as well. There will be a **limited** number of places for other New Jersey student leaders and advisors that wish to join our delegation, therefore we will need to enforce a **4 student per school** limit. If demand exceeds our allocated delegation size a waiting list will be started, from which we will fill any available openings at the end of **February**. *Please note that any student who is not a 2012 State Officer MUST be accompanied by their advisor or another teacher/administrator from their school.*

We are currently working on the itinerary, which will include activities before and after the conference to give students in our delegation and Region (NJ-NY-PA-MD-DE) the chance to know each other better. If you and your student leaders wish to become part of our delegation to this event, please complete this form and return it with a non-refundable deposit of **\$400.00 per attendee** to Lou Miller at the address below by **February 28, 2012**. The total cost is anticipated to be about \$1475.00 (students) and \$1575.00 (advisors). If you have any questions, please e-mail [lmiller@njasc.org](mailto:lmiller@njasc.org) or call 609-980-8741.
