Re: New Jersey Business Registration Certificate

To whom it may concern:

We would like to thank you and the members of your Board of Education for your past and current business relationship with the New Jersey Association of Student Councils (NJASC). In light of the recent “pay-to-play” reforms passed by the Legislature and signed into law by the Governor, we are doing everything possible to ensure that all future business with New Jersey’s state student council association remains a pleasant and trouble-free experience for our member schools, their advisors, and their school/district business offices.

In this spirit, attached to this letter is a copy of our current and valid **New Jersey Business Registration Certificate**, which has been recently updated to reflect our correct mailing address. This certificate was printed out from the New Jersey Division of Revenue online registration inquiry, located at https://www1.state.nj.us/TYTR_BRC/jsp/BRCLoginJsp.jsp. If you need to verify this certificate directly, type in “newj” for the Name Control field, “221629143000” for our Taxpayer ID, and then click the submit button.

If you have any questions about doing business with the New Jersey Association of Student Councils, please feel free to contact either of us at our e-mail address or phone number listed above. Thank you again for your continuing support of the New Jersey Association of Student Councils, and of student leaders in your own schools as well as throughout our great state.
