What was your favorite part of LTC?

Danielle (Grey) - Stewartville MS

“My favorite part was getting ‘pepped up’ for the LTC games. I enjoyed it because everyone was acting wild and crazy.”

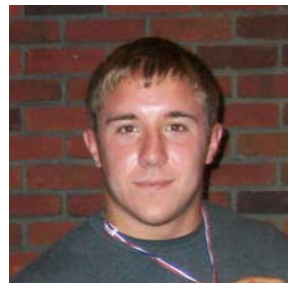

Teleesha (Maroon) - Newark Voc. HS

“My favorite part would be the atmosphere, it was really fun.”

Mike (Purple) - Nutley HS

“I loved the circle games because everybody gets into them and no one cares what each other is doing because everyone is being goofy.”

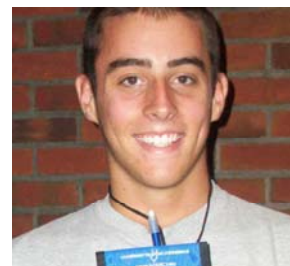

Kasey (Red) - Rancocas Valley Regional HS

“I loved LTC games because you have the chance to get pumped up as a color team but its not bad rivalry between teams.”

Matt (Green) - Shawnee HS

“My favorite part of LTC was the LTC Olympics because I like the intensity that everyone has and also how everyone has one team in the end.”
